

Tri-Band

Hoist System

- **Robust** – Strong, yet silent, steel band
- **Safe** – Dynamically irreversible TUV approved gearbox with safety catch, BGV-C1 rated limit box
- **Practical** – Roof steels, wall or grid mounted 400mm Triangular Truss
- **Economical** – Controlled from either 240v SPN or 415 TPN supply
- **Versatile** – Fixed or variable speed, 250kg or 400kg Safe Working Load
- **Low Maintenance** – No motor brake, steel band, fixed bar clamps

The Tri-Band is a modular, multi-drop hoisting system designed for the smaller venue. It is supplied in 2 metre sections that can be easily clamped to roof steels of varying sizes and then joined together. Power and control connections are made via a single Harting connector for minimal installation.

Tri-Band

Hoist System

The steel bands are fitted with clamp plates for attachment to standard bars or ladder beams and each 2 metre truss module weighs no more than 120kg. A maximum of 8 sections can be joined together to control a 16 metre bar or ladder beam.

Tri-Band Product Information

EQUIPMENT	DESCRIPTION	PART NO.
TRI-BAND 250 Hoist, 2 Line	250kg SWL, suitable for bar length up to 4 metres, speed @ 9m/min*	TB70/250/2/9
TRI-BAND 250 Hoist, 3 Line	250kg SWL, suitable for bar length up to 8 metres, speed @ 9m/min*	TB70/250/3/9
TRI-BAND 250 Hoist, 4 Line	250kg SWL, suitable for bar length up to 12 metres, speed @ 9m/min*	TB70/250/4/9
TRI-BAND 250 Hoist, 5 Line	250kg SWL, suitable for bar length up to 16 metres, speed @ 9m/min*	TB70/250/5/9
TRI-BAND 400 Hoist, 2 Line	400kg SWL, suitable for bar length up to 4 metres, speed @ 9m/min*	TB70/400/2/9
TRI-BAND 400 Hoist, 3 Line	400kg SWL, suitable for bar length up to 8 metres, speed @ 9m/min*	TB70/400/3/9
TRI-BAND 400 Hoist, 4 Line	400kg SWL, suitable for bar length up to 12 metres, speed @ 9m/min*	TB70/400/4/9
TRI-BAND 400 Hoist, 5 Line	400kg SWL, suitable for bar length up to 16 metres, speed @ 9m/min*	TB70/400/5/9
TRI-PATCH Hoist Control Cabinet	Automatic patching panel with 8" colour touch screen and 2 inverters for control of 10 hoists	TP70/01/10
TRI-PATCH Hoist Control Cabinet	Automatic patching panel with 8" colour touch screen and 4 inverters for control of 20 hoists	TP70/01/20
TRI-BAND Control System	Portable desk incorporating 12" colour touch screen with hoist, group and cue selection, speed control and recordable deads for up to 20 hoists	TBCS70/20
Suspension bars, ladder bars plus fittings		
Motor Isolator Box		TBE70/01
*Speed @ 15m/min option
